

Job Title	Weekend Bottling Maintenance Technician
Job Level	5
Location	SBP
Business Unit	Group Packaging & Supply Chain
Function	Packaging
Leader	Maintenance Planning & Systems Team Leader
People Leadership	N/A

Role Purpose

To provide technical expertise in support of bottling hall production lines enabling maximum production efficiency and performance through efficient maintenance of engineering assets in support of the delivery of the SBP Packaging and Supply Chain strategy. To be compliant with all relevant H&S & ISO standards at all times.

Accountabilities

- Ensure that safe working practices and quality procedures are strictly adhered too; to ensure compliance with H&S regulations, environmental legislation, ISO requirements to produce a safe product.
- To provide technical support to enable maximum efficiency of production hall equipment, ensuring planned and corrective maintenance tasks are completed as scheduled.
- Manage contractors as and when required as per contractor management procedure.
- Act as a quality guardian in the end-to-end production process monitoring compliance, taking accountability to deliver excellence in our products and implementing continuous improvement initiatives, ensuring perfection for the customer and consumer.
- Build and maintain key relationships with bottling, vat hall and across the maintenance teams, providing a high level of customer service and ensuring objectives are implemented throughout SBP.
- Coach and assist with developing operations team members in operator asset care processes. Take ownership of technical & maintenance performance for their designated equipment areas.
- To support line and team based improvement projects and provide support to NPD / project engineering departments throughout all project stages.
- Demonstrate behaviours in line with our diversity and inclusion aim, which is to create and promote a diverse and inclusive culture at WG&S where ideas, differences and views are respected and where all employees are encouraged to create their own personal legacy.
